TESTIMONIALS

I recently went for the **Meghalaya** bag packing with Travel story for 13-18th September 2025 🥰 Amazing monsoon experience filled with treks and breathtaking scenery throughout. Personal favourite = Phe phe falls 🌧️ Our captain Arbind was very hospitable and kind & ensured we all had a great experience during the trip. I am looking forward to explore their other packages as well (Kashmir, Ladakh and Vietnam) in the months to come. Highly recommend 😊

My first big trip was with TTS **Meghalaya**. Our captain Arbind was very helpful as this was my first time going on treks he was very patient and he motivated me through out, he also told us the stories of the places we visited. he made us feel comfortable and safe and reassured us when I was in doubt. Our stays were very comfortable and the food was very tasty even tho the veg options were limited the captain always found very good vegetarian food for us to have.

Well, it was my 1st ever trip with strangers..I was so so scared as usual being a young girl how it would be, But I wanted to explore and enjoy.. Honestly saying those people I met and those memories I made, I will cherish forever.. 🙌🏻🙌🏻 Arvind, our grp captain did his job very well..Hotels and homestay were good, I enjoyed food also..Lunch we did from different places so that may have some different reviews.. Thanks to travel story 😊..Hope again I will go to another trip.

We finished our **Meghalaya** with TTS, starting to end, everything was amazing. Our tour guide Arbind was super fun. He is well disciplined in his planning which made us to visit the destination before it got crowded. Stays were comfy and food was amazing. Arbind used to ask each one of us personally about food and stay everyday. Because of him, our entire trip was so good. Big thanks to TTS for making our first group your a memorable one 🥰🥰🥰🥰 will be doing more trips with you guys in future!

Hey, This is our third trip with TTS team and they are quite more friendly and clear in execution of trip. We can feel quite more safe while travelling due to clear instructions for places and arrangements. Staying arrangements are quite well as per raining atmosphere. As guju my taste buds are quite more good so in Meghalaya food experience is quite ok as I like to try local dishes while travelling but I'm happy as I didn't expect more in **Meghalaya**. Trip became slightly hectic as days come with expectations of rest while travelling but overall otherwise Meghalaya trip will be a haven for a lover. Track of Double Decker bridge is amazing. Places selection of team is amazing as they choose places according to time schedule with group. Special thanks to Arvind as I already travel earlier with him he is more friendly, more humble by nature and without his help I was not able to complete double Decker track. I like to give him the title of Team Leader of trip as he is quite more punctual and most active person. Overall trip was quite good. Looking forward to next trip 🥰🥰 in coming months.

Had an awesome solo adventure trip in Meghalaya arranged by The Travel Story. Made new friends and memories. Special thanks for Arbind Kumar Prasad for being a great leader.

Trip : **Meghalaya** Captain : Arbind and Bokul The itinerary was on point and we covered most of the places. Everybody was cooperative during the trip. Bokul was so much fun to be around he made sure we all felt comfortable. He encouraged us to enjoy every bit and piece of Meghalaya. There was no rush to cover any place sooner. Both captains were knowledgeable and very friendly. I would definitely recommend this package for anyone who wants to travel with like minded people. The only con about it is food and rooms it's not your luxury trip instead consider it a decent backpacking trip. Perfect for group and solo travelling as well. This was my second trip with them looking forward for many more.
