## TESTIMONIALS

**Shubhankit Kholia**

For my first solo trip, I booked the New Year 2023 Kashmir Backpacking trip with TTS, and it was one of the best decisions I have made in my life. Everything was well coordinated, special thanks to our group captain, Harish 🙌. We started the journey as strangers, and ended as a family. The best part is, as a solo traveller I didn't feel alone for a second. Harish was kind and considerate of everybody's needs. All the other people in the group were so kind and caring. Kashmir done ✅, now let's travel the rest of the country 😊

**Eashan Sahu**

While we all depart to our respective cities and resume work from tomorrow, a random thought crossed my mind as I look at the photos we clicked on this trip. Once in a while god has a different plan for you to meet bunch of amazing people who turn into great friends in such a short frame of time. Never did I imagine that this impromptu solo trip to Spiti valley would leave me with so many memories to cherish for life. Thank you

**Bhakti Patel**

Dear team "The Travelstory" I traveled with TTS for spiti valley expedition from 18th june to 26th june

**Bhavesh Patil**

Travelling with TTS feels like travelling with family. Starting from briefing about the trip beforehand, guiding about to and fro commute and sharing key information about trip, ensuring hassle free transportation, nice hotels, delicious food and most importantly ensuring people are enjoying their time off; they met all the above expectations without even giving a second thought. Special mention to the efforts put in by trip leaders (Salman and Harish for Kashmir trip) to keep people engaged and ensuring great experience overall! Good Job Guys! This is just an beginning :
